Subject: Zami Scholarship Recipients

Mary Anne,

Once again I enjoyed attending the Scholarship Program for the Zami recipients. I hope to be able to participate in a larger way one day (perhaps after I finish grad school at Emory).
Hats off to you for the wonderful work you and Zami continue to do! My partner and I were thinking about some small yet meaningful way we could make a difference in the lives of our candidates.
Is there someway a list can be complied where we and perhaps others among the Zami community can send "care packages" to the recipients? We remembered the fact that (1) - we weren't out to our families when we left home for college and
(2) - how wonderful it was to received care packages from friends and loved ones. Can mailing addresses and phone lists be made available to those of us who would love to remember a few students throughout the year with random acts of kindness?

Dear ZAMI Supporter:

As you may know, this year marks the 10th anniversary of the ZAMI Audre Lorde Scholarship Fund. Founded in 1995, the Fund awarded its first two scholarships in 1997 to African American lesbians attending schools in Atlanta. Since then, the Fund has expanded its eligibility criteria, first by geographic region, and then by gender, to include all lesbians and gay men of color, and has awarded 70 scholarships to students nationwide. In 2004, Fund donors' support made it possible for us to award twenty-one scholarships. ZAMI is one of only a handful of organizations in the country that provides this type of scholarship assistance to lesbians and gay men of color.

The Audre Lorde Scholarships, of $1,000 each, recognize out*lesbians and gay men of color, who are making significant contributions to their communities while attending accredited post-secondary institutions. Your sponsorship will help to make the 10th Anniversary Scholarship Weekend, being held September 23-25, 2005, our largest fund-raising event to date and assist ZAMI in providing scholarships this year, and in years to come.

Sponsorship opportunities for this year's Scholarship Weekend are still available for small businesses, organizations and individuals, and we would like to invite you to become a sponsor for this year's Scholarship Weekend. The benefits of becoming a sponsor are outlined on the enclosed information sheet. Depending upon the sponsorship level chosen, you could receive the following:

All,
I hope you all had a safe trip back. Lisa surprised me on Sunday with a birthday trip to the beach. We had a wonderful time for four days and now it's back to the grindstone.

It was wonderful meeting many of you for the first time and seeing others of you again. Please do keep in touch and drop us a line when you can.

I received this post on Sunday and think it's a great idea. However, I want to know if you all are interested and will pass on your info if you are. Please let me know. See below...

Sweet Blessings,
Mary Anne
